

Annual Meeting notes good year for Reliance Credit Union

On March 9th, Reliance held its annual membership meeting in the BPU boardroom. Marci Frazier, President, announced that assets were up and recorded at \$16,709,129 with a net income of \$249,873. We continue to grow each and every year and we appreciate the trust our members have in us. We couldn't do it without YOU!

You get what you asked for – free ATM transactions

Last fall in our member survey, you asked for more ATM transactions and now you will have it. Effective immediately, every member with an ATM or debit card will have 10 free ATM transactions per month. All surcharges from these 10 transactions will be refunded back into your account on the last day of the month. It's your money and we want you to have access to it anytime, anywhere and FREE.

Board Members Re-Elected

Congrats to:

John Potter | Mark Glaspie | Jerry Schrick on their election as continuing board members.

Annual Meeting Winners

Tammy Millsap (HDTV) and Brandi Brown (ipod) were our big winners at the annual meeting and we enjoyed having everyone attend.

Can we be Direct?

Direct deposit, that is. Many of our members have recently had their employers utilize direct deposit for their payroll. As your financial institution, we applaud this. It is the safest and most efficient method in receiving your paycheck. In most cases your check is deposited in the early part of the day on payday, which gives you access immediately because electronic funds are cash deposits in your accounts.

Don't have free checking or direct deposit with us? Come in today and we'll get you started and don't forget free bill pay. Another advantage you have with Reliance Credit Union.

Take two, then call us. Switch to Visa® today.
